NOTE.

*Dated* 4th January 191 9.

1) The following extract from the proceedings of the meeting of the Malnad Landholders' Association held at Koppa on the 26th December 1918 is forwarded with compliments to the Chief Secretary for favour of necessary action:-

"The economic condition of the ryots was the last problem taken up. - - Several complained that they were not able to obtain more than a rupee worth of rice in the Koppa shandy and were - - therefore not able to maintain coolies. Mr. Asagode Venkatanna Gowda said he had 50 coolies last month and was not able to keep any one at present for want of food grains and that his crops could, in consequence, be not gathered up.

"Resolved that the attention of Government be drawn to the prevailing most distressing circumstances in Koppa where difficulty of labour is acute and the Association humbly requests that the members of Government may be graciously pleased to visit Koppa to afford relief in time and that the Dewan and Members of the Executive Council may be graciously pleased to include Koppa in their - - itinerary".

---

With reference to your socket No. F.C. 108 dated 13th January 1919 calling for a report re- the shortage of food supply at Koppa, I have the honour to forward herewith copy of letter No. S.H.C.183/18-19 dated 23rd January 1919 received from the Sub Division Officer, Tarikere, from which it will be seen that there is absolutely no difficulty in getting the required stock of food grains at present as the same is available abundantly at Koppa and that the Coffee Planters too are stocking large quantities of paddy for the coolies. As already observed by me the representation of the malnad Land Holders' Association seems rather exaggerated.
